Girl Scouts of Mitten Bay

Leader in Training Home-study Course!

LIT: for girls who've completed the 9th grade

We are now offering a Home-study training for the Leader in Training (LIT) program! The Home-study packet is an interactive tool that includes all of the information you'll need to become a LIT with a local troop. While working with the troop you will learn how to be a troop leader and will strengthen your communication and leadership skills.

Here's how the program works:

1. Order the home-study workbook using the form below.
2. Complete the training at home (it takes approximately 8 hours). Mail the workbook back for approval (using the envelope provided) before you start your hours.
3. When approved, the packet will be mailed back to you along with your internship packet. This packet will have everything you need to finish the leadership project.

For more information: contact Roxanne at 1-800-968-1185 ext. 31 or email at rkoehn@mittenbay.org

Detach here and mail in.
