

# Surviving Middle School

# Surviving High School

**Are you starting Middle School or High School next year?** Already started but still confused? You probably have a lot of questions! Join other girls your age for a fun and informative workshop that will help calm your nerves. Girls who understand what you're going through will answer your questions and share their advice on how to survive and thrive in your school. A separate session will be held for girls entering High School. Session Topics: school transition, self esteem, media image, healthy relationships, dating safety, and more! Content is age appropriate.
