

Zink the Zebra Patch Programs

The Zink the Zebra Foundation took its name from a compassionate story written by 11-year old Kelly Weil before she died of cancer in 1993. Zink, a spotted Zebra, represents all children whose physical appearance sets them apart from other children. Zink, and all children labeled as “different,” need understanding, respect, compassion, and above all, acceptance from friends and family. The Zink the Zebra program is a collaboration between the *Zink the Zebra* Foundation and Girl Scouts of Mitten Bay. For more information, contact Roxanne Johnson at rjohnson@mittenbay.org or 800-968-1185, ext. 221.

Program Choices

Zink the Zebra Troop Backpack Kit

Everything you need to complete the Zink the Zebra Patch Program is included in this backpack – a facilitator guide that includes detailed instructions and tips for each level, program overview DVD, animated video DVD, Zink play DVD, and 2 puppets for interactive play (VHS available upon request). Warm, friendly, stuffed bean zebras and a program patch are tangible reminders of the program that you can complete in one or two meetings. Visit the Marketplace for more information or to check out a program kit. Note: the program is different for each level, so girls can complete the program more than once and receive a different color patch and beanie each time! Daisy- blue, Brownie- green, Junior- yellow, and Cadette/Senior- red.

The kit is available for a \$20 refundable deposit and \$7 per girl materials fee (includes patch and color Zink beanie).
